RE: DRAFT FEASIBILITY STUDY REPORT, CARRIER A.C.  
(COLLIERVILLE) SITE

Dear Mr. Marbury:

Enclosed for your review and comments is the draft Feasibility Study. Please submit comments to me by October 18, 1991. I realize this timeframe allows for only two weeks of review, but due to a pressing schedule, I would appreciate your trying to meet this deadline.

Carrier and EnSafe representatives have tentatively arranged to meet with EPA on October 16 or 21, 1991. Carrier will present the FS in a discussion format and answer any questions that EPA may have regarding the FS. We will also discuss comments EPA made regarding the draft RI (June 24, 1991). I have enclosed for your information the Technical Review and Comments Report (TRC) that we will be discussing.

I will be out of the office October 5-11, 1991. If you would like to attend this meeting, please contact Bob Marbury at (404) 392-9227 to confirm the date and location of the meeting.

Thank you.

Sincerely,

Elizabeth A. Brown
